

WE SHOULDN'T
HAVE ASKED FOR
HER FORTUNE
TELLING TO
BEGIN WITH!

SMACK

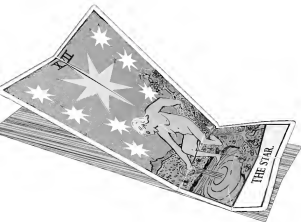

HEY! ARE
YOU EVEN
LISTENING?!!

Whatever!
Let's just go!

Serr-
ously!

The Moon and the Star

RUSTLE

SERIOUSLY,
THE WORST...

SIGH...

Please don't
worry about my
feelings and tell
me the truth

**That's not
it, right?**

If you
do a good
job with
your
speech...

Oh, it looks like
things are moving
along nicely with
your current
pace!

EH?

thank you!

Well then,

Ah.
Yes.

**Just you wait
and see,
I'll definitely**

THE STAR.

GLANCE

For the sake
of moving
forward, huh?

**change my
destiny!**

AFTER THAT,
THE STAR
INTENSIFIED
HER CAMPAIGN
ACTIVITIES.

THE S

EVEN THOUGH
SHE DIDN'T
KNOW HOW
TO SHINE.

OR THE FACT
THAT SHE'D
ALREADY BEEN
TOLD THAT
HER LIGHT
WOULD
SURELY DIM.

SHE STILL
LOOKED
FORWARD
DESPITE
IT ALL.

SHE NEVER
STOPPED HONING
HERSELF.

AT THE END.

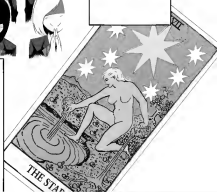

EVEN IF
SHE'S JUST

A DIMLY
LIT STAR

SHE WAS ABLE TO
SHINE SO BRIGHTLY

TO THE
POINT OF
LIGHTING UP
THE ENTIRE
NIGHT SKY.

ALL BY HERSELF.

if I had predicted accurately at first

Besides,

I owe it all to you

Thank you.

No I didn't do anything.

If you had led to me and said that things would turn out great, I wouldn't be here today

It's precisely because you told me the truth that I was able to become the student council president.

Moreover,

Isn't that why
you were honest
with me about
your prediction?

Just kidding

you were probably
thinking I'd be able
to change my
destiny, right?

WHO'S
AFRAID
OF
SHINING

SO THIS
STAR WANTS
TO CHANGE
EVEN

THE
MOON

I wonder

But Ayase-
san, I'm...

Me?

Say,
do you

want to
become my
vice
president?

I feel like I can
overcome any
obstacle as long as
I'm working
with you.

Eri!

I want you
to call me by
that too!

Since we'll
be working in
the student
council
together from
now on!

My close friends
call me by either
"Eri" or
"Enchka".

Eh?

GENTLE AND
WARM...

Well
then.

Erichi!

There really is
something special
about you, huh?

What?!

That's the first
time someone's
actually called
me by that

It's okay,
right?

TO ME,
THAT'S
THE FIRST
STAR...

Heh, yep,
you're right!

I'm just the
vice president,
that's all

Well,
I don't
mind

WHOSE
SPEC-
IAL

EXIST-
ENCE

NOZOMI!

Well then,
let's go.

Okay,

ERICHI!

HAS
SHOWN
ME

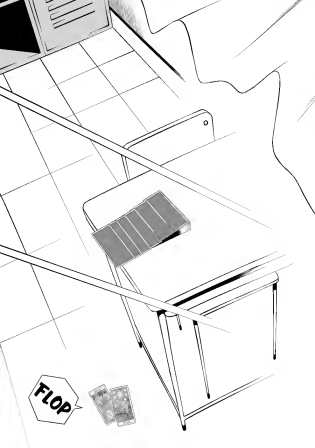

THE
POWER
AND
DESIRE
TO
SHINE.

RUSTLE

The Moon is The Star
AS LONG AS I'M WITH HER,
I SHOULD BE ABLE TO SHINE ONCE AGAIN...

NO, I WILL DEFINITELY BE ABLE TO SHINE!

EXTRA
